

# JUNIOR ĪPAPA AGREEMENT

I will apply my values of kaitiaki, whanaungatanga and ako when using my ĩpapa at kura.

## WHANAUNGATANGA

I will check with my friends and kaiako if they would like to be in my photos or videos if needed for my work.

## AKO

I will make safe choices on my ĩpapa and only go on what my kaiako has asked me to.

## KAITIAKI

I will care for my ĩpapa by holding it with clean gentle hands and keeping it away from food.

## WHANAUNGATANGA

My comments and actions on my device are kind and I am building a positive digital footprint.

## AKO

I can only use a device if a kaiako is in the ALS with me.

## KAITIAKI

When I have finished my work I put my device on charge.

## WHANAUNGATANGA

My kaiako has screen limits for my well being and I put away my device as soon as I am asked.

## WHAT COULD HAPPEN:

I know if I do not follow this user agreement, there may be some actions my kaiako will have to take. This could be a device ban, chatting to Mr Kelly or my whānau being contacted.
